

## **Getting to know your lost cat**

### Sociability with Other Cats

Unknown

Very social with other cats, must have other cat friends

Does fine with other cats, could live with another cat or as the only cat

Needs to be the only cat

### Sociability with Dogs

Unknown

Great with dogs, looking for a canine friend!

With some patient familiarization, should come to accept dogs

Absolutely needs to be in a no dog household

### Litter Box Manners

Undetermined

Fastidious litter box user

Needs a covered box

Special needs may cause some litter box challenges

### General Personality

Initially shy and hesitant, will need some time to know they're safe and loved

Outgoing, highly social and interactive with all

Friendly and outgoing but on my terms, when I'm done, I'm done.

### My Ideal Family looks like

Undetermined

Adult home only

Kids above 7 years (i.e. they have some impulse control)

Someone who is home a majority of the time

Fine with all ages

## **Getting to know your lost dog**

### Activity Level

High - requires rigorous daily exercise, a minimum of 30 minutes a day

Moderate - requires at least a daily 20 minute walk

Minimal - a 10-minute walk every other day should be fine

### Sociability with Other Dogs

Very social with other dogs,

Must have dog friends Does fine with other dogs,

Could live with another dog or as the only dog

Needs to be the only dog

### Sociability with Cats

Likes cats, very social  
Good with cats or at least indifferent to them  
Not cat friendly

#### House Trained

Undetermined  
Yes  
Most of the time, will require some training  
Will require training  
Knows how to use a doggie door

#### Leash

Wow, I'm ready for the show ring, exceptional leash manners  
I am easy to walk and pull very little  
I need some training and patience from you, so I can understand what I'm supposed to do  
I've never seen a leash before; I really need someone who will invest the time to train me

#### Personality

Extremely outgoing - immediately loves everyone  
Outgoing and social - warms up quickly  
Shy and hesitant initially, will need some time to know they're safe and loved

#### My Ideal Family looks like

Adult home only  
Kids above 7 years (i.e. they have some impulse control)  
Someone who is home a majority of the time  
Fine with all ages
