

Show off your Marvelous cat or dog while helping to save the life of another!

Located in Phoenix, Arizona, **RESCUE** is the last voice for dogs and cats who find themselves awaiting death at county Animal Care & Control shelters. Since 1995, RESCUE has found loving homes for more than 8,500 of these deserving animals - **"For every animal we are able to place, we are back to rescue another."**

Wanting to showcase not just the animals helped by our organization, but all the wonderful "rescued" cats and dogs out there, RESCUE is creating a book filled with their images. **This is your opportunity to have your formerly homeless, now much loved pet featured in the pages of a beautiful, full color, hardback book.**

The book will include 235 pages. Full page, half page, and quarter page spaces are available for purchase. Spaces are going quickly, so reserve your space today. You then have until May 31st to submit your photo(s). If you have several pets (or several photos of one pet), consider buying a full page to display several images.

The book will be available October, 2006 - just in time for the holidays - and what a wonderful holiday gift this will make! If you don't have a photo to submit, but would like to purchase a book, pre-order and receive a discount.

And, of course, all proceeds go to rescuing more cats and dogs, just like yours.

Thanks to all the rescuers out there.
